

# The Hoot

MOES Monthly Newsletter: November 2019

**RESPECT & GRATITUDE** are our characters trait for November.

**RESPECT:**

Showing high regard for an authority, other people, self and country.

Treating others as you would want to be treated.

**GRATITUDE:**

To show that you are thankful for what others have done for you.

**Join MOES at DQ for Spirit Night!**

**When: Thursday, November 7**

**Time: 4:00 - 9:00 p.m.**

*From the Desk of Mrs. Sackman, Principal*

*Why We Need You...*

*Here at Mossy Oaks we value our parents as partners. When parents and teachers work together, the benefits for students are proven: A review of parent involvement research found that parent-child reading activities produce a significant improvement in children's language and reading skills from preschool through high school (Sheldon & Epstein, 2005). When your students know that you value school, they see more value as well.*

*One way you can be a partner is to volunteer at school! There are so many ways you can help—from reading with a student, helping with math facts, working on handwriting, or just being there to have conversations. You can come eat breakfast or lunch! You can file papers or make copies! We have a job for everyone!*

*To volunteer, just go online to [beaufortschools.net](http://beaufortschools.net) and complete the volunteer application. We can't wait to see you!*

*End of Daylight Savings  
November 3 - 2:00 a.m.*

## Important Dates

- |        |   |
|--------|---|
| Nov 5  | Math Night 5:30 - 7:00 pm                                   |

*School Social Workers* are skilled professionals who serve as the link between home, school and community. *School Social Workers* provide individual and group counseling for emotional, family or behavioral issues; crisis prevention and intervention; parent education on an individual basis; economic and/or family resource information and referral; monitor school attendance and assist in health issues on an individual basis.

**Helping students to:**

- Cope in times of crisis
- Maintain regular school attendance
- Become resilient, successful learners
- Gain personal and social competencies

**Supporting parents to:**

- Actively participate in their child’s education
- Coordinate education and community resources to adequately meet the education, economic, medical, emotional needs of students and families
- Ensure regular school attendance for their child
- Strengthen parenting skills

Feel free to contact the *School Social Worker* at any time with needs or concerns you may have.
