MOES Monthly Newsletter: September 2020

ACCEPTANCE is our character trait for September.

ACCEPTANCE: The action or process of being received as adequate or suitable, typically to be admitted into a group or received by others

Greetings Mossy Oaks Families! We have gotten off to a great virtual start this year, and we are looking forward to lots of great events in the coming weeks. Some quick reminders:

- We will start our hybrid schedule on Monday, October 5. If you wish for your child to attend on the face to face days, you must ensure that you selected the in class option instead of the virtual option during registration. If you need to make a change to your choice, you must notify the school by September 25.
- Families will be notified of their hybrid schedule (either AA or BB days) by September 28.
- On our return to school, we will follow all safety precautions as outlined in the re-entry plan the district issued on 7/17/20. Masks will be required (NO GAITERS). To limit movement in the building students will participate in related arts virtually and meals will be delivered to classrooms.

As always we invite you to be part of our school. Please stay in contact with your child's teachers and take part in our PTO/SIC. You can also find out about the great things we are doing by following our Facebook page, <https://www.facebook.com/MossyOaksElementary/>.

My name is Jodi Knorr and I am your new MOES nurse! I am new to school nursing but have been a nurse for 12 years and was an EMT for 9 years prior to that. We moved to the Beaufort area last year and love it! My husband and I have four boys: two in college and two at Beaufort High.

An Important Message from the Nurse

Updated immunization records are due October 8, 2020. Beginning October 9, students will not be able to attend class until the records are submitted.

Transportation: Utilizing 3 C's Communication, Cooperation, and Collaboration

- * Please verify the address provided during registration is correct.
- * Students are required to wear mask when they come to the bus stop and while they are riding the bus.
- * Students who do not come to the bus with or refuse to wear mask will be reported to school administrators.
- * Students who do not comply with the social distancing bus guidelines will be reported to school administrators.

"Together, we can make the ride to and from school a good part of our students' day!" Mr. Donald Wilson, BCSD Transportation Supervisor
