### **SRO Citizenship Award**

In conjunction with the SRO and Beaufort City Police, we are excited to announce a new quarterly award for students. This new award will be presented to students showing outstanding qualities by setting good examples, being courteous, being friendly, helpful, dependable and brave. The goal for this award is to encourage and empower students

to do their best at school, at home and in society. We hope to instill a sense of pride in knowing that recipients of the award are showing traits that are so needed and desired to be an outstanding citizen in society. Community leaders, including the Chief of Police will be signing the certificate to showcase our student's actions. Teachers will submit nominations, and a committee made up of teachers and support staff will pick the winner for each grade level.
