

## SIC / PTO / ABC Meeting

April 24, 2018

### SIC

Principal's Report (by Michelle Sackman):

- SC Ready and SC PASS testing begins in May.
- Kay Keeler has a group of women who are willing to help us as test monitors during our upcoming testing sessions. Tina Johnson will train these monitors.
- Next years' Title 1 funds were cut by about \$30,000 leaving us with a Title 1 budget of \$167,030. Of this, approximately \$133,013 will be going towards salary and benefits. That leaves us with \$34,000 to allocate among several areas including: instructional supplies (\$1500 in agendas) (also includes paper, pencils, computer supplies of about \$6,000), professional development (both in-house and off-site), family initiatives (curriculum nights), and instructional coaches and curriculum development. After-school programming can come out of this budget if we don't get our Focus-funds money.
- We have been approached about possibly housing a ECSE (early childhood special education) class at MOES. Not sure where that would be located.

Ballots for SIC officers – typically the SIC officers have volunteered at the last meeting of the school year. We would like to formalize this process a bit. There is a nominating ballot that is getting ready to go home for PTO officer positions. We are going to re-work the form to include SIC (including job descriptions).

**Arts Committee** (by Amy Edwards):

- The ABC Steering Committee met today to update our Strategic Plan and begin preparing our year-end report.
- Our Spring Arts Showcase is this Thursday, April 26 at 6:00.
- Friday is try-outs for the Talent Show.

There was no PTO report at this meeting.

There were no comments or questions from the group.

Reminder: The last day for students is May 31. It is a whole day (not a half-day as previously published).

May 29<sup>th</sup> is our next meeting.
